UNITED NATIONS FLAME THROWERS USED IN CHORWON ADVANCE

Flame throwers yesterday cleared the way for tanks to get within 3 miles of Chorwon. They commanded the last high ground on the road up from the south to the city. The deadly flame throwers were used twice Thursday to

P. K. UNIT ARRIVES

The 7th Division PX Mobile Unit is again in the regimental area.

Making the trip to all units in the 7th Division. Approximately every two weeks, the mobile unit headed by Cpl. George S. Hildreth will be around for the next few days.

There is the usual supply of writing paper, wrist watches, shave lotion, and a radio or two available for purchase.

Pfc. Charles Laskowski, who assists Cpl. Hildreth, says, "we're sorry we can't sell more than one radio per battalion, but they ration them to us."

"It's ironic," said Pfc. Laskowski "but we have sold believe it or not, \$3,000 worth of items available through the regular gratuitous PX rations."

If you have any suggestions that will help in future PX Mobile Unit transactions, drop a line to the "Bugle" and we'll pass it on.
