17TH STARTS MARCH OF DIMES

The March of Dimes, the annual drive for funds to combat infantile paralysis, has now started in the 17th Infantry BUFFALO Regiment.

Supporting the campaign is the National Foundation for Infantile Paralysis, an organization set up in 1938 to lead, direct, and support the fight against polio. Since that time, funds provided by the Foundation have made possible great strides in research into the causes and treatments of this dread disease. In addition, over 200,000 victims of polio have been given the best in medical care in the past fifteen years, since the March of Dimes first started.

IN KOREA

Allied planes and guns broke up a possible Communist attempt to retake vital "Sniper Ridge" Sunday by clobbering a large group of Reds sighted moving in the open. Out of a group estimated at more than 2,000, approximately 160 were killed and many more injured as the Communists dispersed.

Three enemy tanks seen in the same area were damaged and an estimated 10 more Reds killed. Communist tanks have become increasingly active in recent weeks, supporting persistent Red ground probes.

Allied fighter-bombers had a good day Sunday, destroying 32 enemy troop bunkers and 22 gun positions in addition to other supply and troop installations along and behind the front. Sabre Jets swept MIG Alley but reported no contact with Communist aircraft.

Of especial interest to the serviceman overseas are the facts that should polio strike either himself or his family way back home, the National Foundation for Infantile Paralysis stands ready to give whatever assistance is needed and will pay all or any part of hospitalization costs that the serviceman or his family cannot assume. Local chapters of the Foundation, serving every city and county in the nation, stand prepared to render aid whenever and wherever it is needed.

The BUFFALO Regiment's campaign will consist of voluntary contributions. A March of Dimes representative has been appointed in each company throughout the regiment to accept your contribution. No quota has been set for this campaign, but it is the goal of the regiment to obtain 100% participation.

Remember: Polio can strike YOUR family.

Give what you wish;-- but

GIVE!

SPORTS

A wave of weekend upsets claimed Kansas State, Illinois and LaSalle—the 1-2-3 ranked college basketball teams—and thrust unbeaten Seton Hall, the Washington Huskies and Indiana into the wide-open scramble for the national leadership.

In the weekend's top game, Indiana, ranked sixth last week, gained a firmer grip on the Big Ten Conference lead by edging the second ranked Illini, 74-70, in a double overtime thriller. Kansas accounted for Kansas State's surprise upset, 80-66, while DePaul of Chicago beat third ranked LaSalle for the second time this year, 68-62.

Meanwhile, Seton Hall, the nation's lone undefeated major college team, ran its string to 18 straight victories by walloping Boston College, 92-71, while Washington beat Oregon State, 68-56.

North Carolina State moved within one victory of the Southern Conference lead as it rolled over tough George Washington, 76-69. North Carolina, the conference leader, was upset by Maryland, 68-66, in a thriller.

Oklahoma A&M ran its season mark to 12 victories in 14 games by beating Oklahoma, 70-59.

Tommy Bolt of Maplewood, New Jersey, won the \$10,000 San Diego Open Golf Tournament yesterday as he shot a final round 70 for a 72-hole score of 274.

Bolt's victory was worth

\$2,000. It was his first major tournament triumph since he captured the Los Angeles Open last year.

Doug Ford of Harrison, New York, won second money with a score of 277. Al Brosch, Garden City, New York, finished in third place with 278.

Bolt was 14 strokes under par for the 72 holes.

Chuck Capozzoli-Georgetown's Olympian—reeled off the fastest two miles ever run by an American collegian Saturday night while whipping Horace Ashenfelter in 8:55.3 seconds at the Knights of Columbus trackmeet in Boston.

Capozzoli's clocking compares with Fred Wilt's indoor mark of 8:50.7 seconds and bettered the meet standard of 9:00.4 set by Greg Rice back in 1941.

In the featured K3 mile, Wilt defeated his nemesis Don Gehrman.

Frank Sedgman, the world's top amateur tennis player from Australia, was proving just as apt as a pro as he defeated Jack Kramer before a crowd of 6,000 in Philadelphia Saturday night. The Aussie now leads in the series by a 6-3 margin.

Pancho Segura continued his mastery over Australia's Ken MacGregor in the semifinal. Segura holds a 9-0 edge over MacGregor.

START THINKING!

Decide today in which field you would like to take a USAFI course. A mobile educational unit will be in your battalion area in a few days for on-the-spot enrollment in the hundreds of courses available through the TI&E program.

Watch the "Bugle" or see your First Sergeant for information concerning the time and place. Prepare for your future now!!
